HOME GROWN CELLARS 13702 ROAD 20 – MADERA, CALIFORNIA – (559) 664-8599

HAPPY SPRING!

We hope your 2008 has gotten off to a wonderful start... Here at Home Grown Cellars, we've been busy running the Bloom Trail for many of our friends and associates. From apricot, plum and peach blooms to almond and nectarine blossoms, the Bloom Trail is one of the most beautiful events of the year. But, as with all blooms, they are gone before you know it. If you're still interested in seeing Madera's own stunning Bloom Trail, Wednesday March 12th is the last day to go out and see it. So get a group together and call today. The blooms are out & you don't want to miss them!
